Civil No. 1:00-cv-00069-JAW

SELECTION OF PHASE III ENGINEERING FIRM

Pursuant to the Order for Evaluation of Potential Active Remedies, and based on the recommendation of the Special Master and the agreement of the parties, the following engineering firm is selected to perform the Phase III Evaluation of Potential Active Remedies: Amec Foster Wheeler Environment & Infrastructure, Inc., 511 Congress St., Portland ME 0410. The selection is conditioned upon the acceptance by Amec Foster Wheeler of contract terms to be negotiated by the Special Master.
